

George Harrison - See Yourself

Tom: **D**
Intro: **A D Bm E**

A
It's easier to tell a lie than it is to tell the truth **Em**
A
It's easier to kill a fly than it is to turn it loose **Em**
A **D** **Bm** **A**
It's easier to criticize somebody else than to see yourself

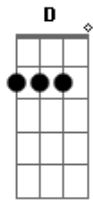

It's easier to give a sigh and be like all the rest
Who stand around and crucify you while you do your best
It's easier to see the books upon the shelf than to see

yourself

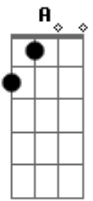

A7 **D**
It's easier to hurt someone and make them cry
E **A**
Than it is to dry their eyes
D **Bm** **A**
I got tired of fooling around with other people's lies
Bm **E**
Rather I'd find someone that's true

It's easier to say you wont than it is to feel you can
It's easier to drag your feet than it is to be a man
It's easier to look at someone else's wealth than to see
yourself
