

George Harrison - Simply Shady

Tom: Eb

Eb / / / / / / Dm
 Somebody brought the juicer I thought I'd take a sip
 Came off the rails so crazy my senses took a dip
 Before the bottle hit the floor and I'd had time to think
 I was blinded by desire the elephant turned pink
 And the rest is simply shady it's all been done before
 But it doesn't make life easy that's for sure
 You may think about a lady cause yourself a minor war
 And your life won't be so easy anymore
 No sooner had I sown it when I began to reap
 I was torn from shallow water and plunged into the deep
 And as I started drowning I clung onto a straw
 C (8th fret)
 That somehow kept me floating while my madness craved for
 more
 And the rest is simply shady it's all been done and more
 But it doesn't make life simple that's for sure

Eb
 You may think about a lady let her in through your front
 door
 And your life won't be so easy anymore
 A pebble in the ocean must cause some kind of stir
 And witnessed by the silence will reach from here to
 there
 The action that I've started sometime I'll have to face
 fret)
 My influence in motion rebounding back through space
 And the rest is simply shady it's all been done before
 But it doesn't make life easy that's for sure
 Eb
 You may think of Sexy Sadie let her in through your front
 door
 But your life won't be so easy anymore
 Cause yourself a minor war
 But your life won't be so easy anymore
 Eb
 You may think of Sexy Sadie let her in through your front
 door
 But your life won't be so easy anymore
