

# George Harrison - That Is All

Tom: D

That is all I want to say, our love could save the day  
 That is all I'm waiting for, to try to love you more  
 And that is all I want to do, to get right next to you  
 That is all I'm living for, your love and nothing more,  
 and that is all  
 Times I find it hard to say with useless words getting in  
 my way  
 Silence often says much more than trying to say what's  
 been said before

That is all I want from you, a smile when I feel blue  
 That is all I'm waiting for, your love and nothing more,  
 and that is all  
 Silence often says much more than trying to say what's  
 been said before  
 But that is all I want to do, to give my love to you  
 That is all I'm living for, please let me love you more,  
 and that is all
