

George Harrison - You

Tom: B

(Gb Bbm B Db Gb Bbm B Db)

I, I love, love

Oh you, oh you, yeah you

And I, and I love you

Oh you, you, yeah you

And you, you, love, love

And you, yes you, you love me

Yeah you, you, yeah you

And when I'm holding you

What a feeling

Seems so good to be true

That I'm telling you all

That I must be dreaming

(solo)

And I, and I, I love you
Oh you, oh you, yeah you

And when I'm holding you

What a feeling

Seems so good to be true

That I'm telling you all

That I must be dreaming

Now I, oh I, I love, love

And I, yeah I, I love you, I love you

Oh you, you, oh you

Oh, you know that I love you, oh oh oh

Oh, you know that I love you, I love you, I, I said I love you
