

George Michael - Kissing A Fool

tom:

Intro: Eb E Fm A Abm Bb

You are far, when I could have been your star

You listened to people

Who scared you to death, and from my heart

Strange that you were strong enough

To even make a start

But you'll never find peace of mind

Till you listen to your heart

People, you can never change the way they feel

Better let them do just what they will

For they will, If you let them

Steal your heart from you

People, Will always make a lover feel a fool

But you knew I loved you

We could have shown them all

We should have seen love through

Fooled me with the tears in your eyes

Covered me with kisses and lies

So good-bye, but please don't take my heart

(Repeat chords from verse 1)

You are far, I'm never gonna be your star

I'll pick up the pieces and mend my heart

Maybe I'll be strong enough, I don't know where to start

But I'll never find peace of mind, while I listen to my heart

People, you can never change the way they feel

Better let them do just what they will

For they will, If you let them, steal your heart

And people, will always make a lover feel a fool

But you knew I loved you

We could have shown them all

We should have seen love through

But remember this, every other kiss

That you ever give, long as we both live

When you need the hand of another man

One you really can surrender with

I will wait for you, like I always do

There's something there, that can't compare

With any other

You are far

When I could have been your star

You listened to people

Who scared you to death, and from my heart

Strange that I was wrong enough

To think you'd love me too

I guess you were kissing a fool

You must have been kissing a fool
