

George Michael - Waiting

Tom: G

^G
Well there ain't no point in moving on

^G
Until you've got somewhere to go

^G
And the road that I have walked upon

^G
Well it filled my pockets

^G
And emptied out my soul

(G G G)

^G
All those insecurities

^G
That have held me down for so long

^G
Can't say I've found a cure for these

^G
But at least I know them, so they're not so strong

^D
You look for your dreams in heaven

^C
But what the hell are you supposed to do
^G

When they come true?

(G G G)

^G
Well there's one year of my life in these songs

^G ^G
And some of them are about you

^G
Now I know there's no way I can right those wrongs

^G
Believe me

^G
I would not lie you've hurt my pride

^D
And I guess there's a road without you

But you once said

^C
There's a way back for every man

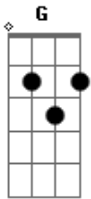

^G ^G
So here I am

^G
Don't people change, here I am

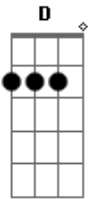

^G
Is it too late to try again

^G
Here I am
