

# George Smith - Even More

Tom: A

(forma dos acordes no tom de F )

Capostrate na 4ª casa

Intro: F Fm C Am Dm G  
 F Fm C Am  
 F G C

The way that you stand there

With no makeup on

Makes no difference at all

Hair down your shoulders

And high heels on

Makes me love you

Even more

You never take long to get dressed

There must be a reason

You're perfect inside and out

That's something that I believe in

Sometimes I get nervous

And it all comes out wrong

The way that you stand there, with no makeup on

Makes no difference at all

Oh, oh, oh, oh

Hair down your shoulders

and high heels on

Makes me love you

Even more

We listen to our favourite song

On the way to the restaurant

We don't even really know the way

There's something else to rely on

Sometimes I get nervous

And it all comes out wrong

The way that you stand there, with no makeup on

Makes no difference at all

Oh, oh, oh, oh

Hair down your shoulders

And high heels on

Makes me love you

Even more

( F Fm C Am )  
 ( Dm G F Fm C )

The way that you stand there, with no makeup on

Makes no difference at all

Oh, oh, oh, oh

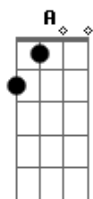

Hair down your shoulders

And high heels on

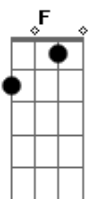

Makes me love you

Even more
