 Intro: G D C
 G D C

It started way back in third grade
 I used to sit beside Emmy Lou Hays
 A pink dress, a matching bow and a pony tail
 She kissed me on the school bus but told me not to tell
 Next day I chased her around the playground
 Across the monkey bars to the merry go round
 Emmy Lou got caught passing me a note
 Before the teacher took it I read what she wrote

[Refrão]

Do you love me do you want to be my friend and if you do
 Well then don't be afraid to take me by the hand if you want

to
 I think this is how love goes check yes or no
 Now were grown up and she's my wife
 Still like two kids with stars in our eyes
 Ain't much changed I still chase Emmy Lou
 Up and down the halls around the bed in our room
 Last night I took her out in a white limousine
 Twenty years together and she still gets to me
 I can't believe its been that long ago
 When we got started with just a little note

[Refrão]

Do you love me do you want to be my friend and if you do
 Well then don't be afraid to take me by the hand if you want
 I think this is how love goes check yes or no
