

Geovani Vilela - Pra Além do Bem e do Mal

tom: G

Quanto tempo já passou

E eu ainda estou aqui

Não atingi aquele amor

Que um dia imaginei pra mim

Veja agora o que restou

De tantos sonhos e ilusões

Um coração cheio de histórias

Pra mim sagradas memórias

Repletas de paixões e solidões

Quando a saudade me devora

Relembro os tempos de outrora

Dá vontade de voltar ao passado

Então viajo em pensamento

Revivo aqueles momentos

E me confortam meus fantasmas

Fui uma linda criança

Cheia de amor e esperança

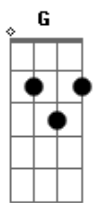

De um mundo ideal

Sou um jovem transmutado

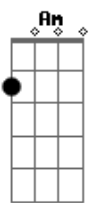

De mãos e pés desatados

Pra ale do bem e do mal
