

Geraldo Azevedo - Miragens

Tom: **D**

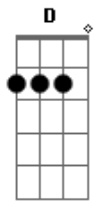

(Geraldo Azevedo/ Zé Ramalho)

(**Gbm7** **D** **G** **Gbm**) - Vocalização - 2x
 (**Gbm7** **D** **G** **Gbm**)

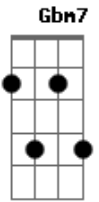

Bem querer vem querer-me
 As ondas as miragens
 O fogo que não incendeia
 A imagem mais bonita
 A entrega da emoção
 Os amores puçando de novo
 A incrível maravilha

Da estrela do verão
 Suspendendo a ponte do manto da noite
 Espiral do silêncio
 Cristalina a visão
 Clareando a fonte do sonho do povo
G **D**
 Em vez de emudecer poderia cantar
Em **Bm** **A** **D** **Bm**
 A mais linda canção sem lamento
G **Bm**
 E quem não escutar perderia talvez
B **A**
 A maior metade do tempo do sonho
