

Geraldo Vandré - Aroeira

Tom: F

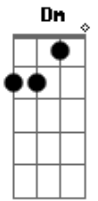

Vim de longe vou mais longe, quem tem fé vai me esperar
 Escrevendo numa conta pra junto a gente cobrar
 No dia que já vem vindo
 Que esse mundo vai virar noite e dia vem de longe
 Branco e preto a trabalhar e o dono senhor de tudo

Sentado mandando dar e a gente fazendo conta
 Pro dia que vai chegar
 Marinheiro, marinheiro quero ver você no mar
 Eu também sou marinheiro eu também sei governar
 Madeira de dar em doido vai descer até quebrar
 É a volta do cipó de aroeira no lombo de quem mandou dar
