

Gerard Way - Baby You're a Haunted House

Tom: Db

Baby, you're a haunted house
 Better find another superstition
 We're gonna stay in love somehow
 'Cause, baby, you're a haunted house now

And your heart will stay forever
 When your last remains are few
 In the dark we dance together
 And I'd like to be waiting with you

Oh, baby, you're a haunted house
 Better find another superstition
 We're gonna stay in love somehow
 'Cause, baby, you're a haunted house now

And the nights, they last forever
 And days are always making you blue
 In the dark we laugh together

'Cause the misery's funny to you

Oh, baby, you're a haunted house
 Better find another superstition
 We're gonna stay in love somehow
 'Cause, baby, you're a haunted house now

I'll be the only one who likes the things you do
 I'll be the ghost inside your head when we are through
 Sometimes you scare me, but I come around to you
 I'll say hello, hello, hello

And I'll find a way to scare you too

Baby, you're a haunted house
 Better find another superstition
 We're gonna stay in love somehow
 'Cause, baby, you're a haunted house now

Oh, baby, you're a haunted house
 Better find another superstition
 You better go and take a bow
 'Cause, baby, you're a haunted house
 Baby, you're a haunted house
 Baby, you're a haunted house now
