

Gerson Rufino - Coisas Firmes

Tom: D

INTRO: A D Bm7 D G Dm A

Gbm D Gbm D
 Tem horas que você pergunta
 Será que ninguém vem me ajudar?

Você pensa um pouco e diz

Eu só quero ser feliz

Tem horas que ninguém te entende

E o único jeito é chorar

Você não consegue se expressar

Tá sem forças pra se levantar

Vontade de sair correndo

E largar tudo para traz

Faça como Jó que envergonhou a satanaaaaas

Não murmurou, agradeceu

D Bm7 Gbm7 A Bm
 Disse que conhecia Deus só de falar

Deus deu a ele tudo em dobro

A você também dará oh oh

Jesus segura firme a tua mão nessa jornada

Busca pela madrugada coisas firmes e alcaaaaaaaaaançara

Se humilha na presença do senhor nesse deserto

Ele é o socorro certo,

não existe outra solução

SOLO: F Bb A

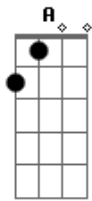

Tem horas que ninguém te entende

E o único jeito é chorar

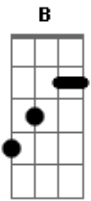

Você não consegue se expressar

Tá sem forças pra se levantar
