

Getône - Like Samba

Tom: A

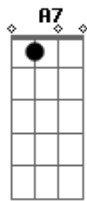

A7 Bb Bm
 Eu vou dizer o que passa por dentro
 E7 A7
 da minha alma e do meu valor,
 Bb Bm
 essa lembrança é o meu tormento
 E7 A7
 o negro sangue desce no pelô,
 A7 D7
 e a noite cai e eu vou cantando,
 Dm Dbm
 meio de lado vou olhando o mar,
 Gb7 Bm
 e o ritual é puro transe,
 E A7
 o que precisa eu vou te ensinar:
 Bb Bm E7
 What you need is like samba, is like this,
 A7 Bb Bm
 What you need listen music,
 E7

samba de raiz,
 A7 Bb Bm E7
 Já não me importa quem chegou primeiro de caravela
 tecendo o terror,
 A7 Bb Bm E7
 O samba que eu canto nasceu no terreiro, com a magia
 escondendo a dor,
 A7 D7
 e a noite cai e eu vou cantando,
 Dm Dbm
 meio de lado vou olhando o mar,
 Gb7 Bm
 e o ritual é puro transe,
 E A7
 o que precisa eu vou te ensinar:
 Bb Bm E7
 What you need is like samba, is like this,
 A7 Bb Bm
 What you need listen music,
 E7
 samba de raiz,
