

# Gévelyn Almeida - Era Uma Vez

tom:

E

Era uma vez um palhaço no meio do nada

Amor e nariz de tomate

Louco por gargalhada

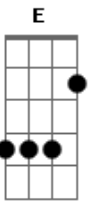

Era uma vez a pureza pulsa simplicidade

Uma embalando a outra

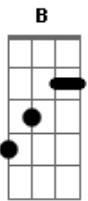

Rasgando mais felicidade

É O RISO pede bis

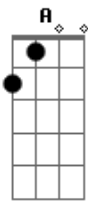

## Acordes

Para enfrentar as adversidades com serenidade

Endorfina pede bis

Tem que espantar a nostalgia

Manter a sanidade

Xá pra lá sua dor

É bravura é alegria

Venha já pra ver

Sorriso lindo todo dia
