

Ghost - Body And Blood

Tom: Bb

This gravehill stinks of death
 A reek from the ground
 Catches whiff of the hound
 A dead ones breath
 The casket lid is cold
 Waiting inside
 Is someone petrified
 That odours old

His body and blood
 Sharing in common
 His body and blood
 His body and blood
 Serving Messiah
 Son of God

(Gm Eb Bb A D Gm Eb Gm F D)

The bitter taste is sweet
 So eat nazarene

And you kiss the obscene
 Anointed feet

His body and blood
 Sharing in common
 His body and blood
 His body and blood
 Serving Messiah
 Son of God

Receive, consume
 Receive, consume
 Digest... Defecate

(Solo)

His body and blood
 Sharing in common
 His body and blood
 His body and blood
 Serving Messiah
 Son of God
