

# Ghost - Body And Blood

Tom: Bb

This gravehill stinks of death  
 A reek from the ground  
 Catches whiff of the hound  
 A dead ones breath  
 The casket lid is cold  
 Waiting inside  
 Is someone petrified  
 That odours old

His body and blood  
 Sharing in common  
 His body and blood  
 His body and blood  
 Serving Messiah  
 Son of God

( Gm Eb Bb A D Gm Eb Gm F D )

The bitter taste is sweet  
 So eat nazarene

And you kiss the obscene  
 Anointed feet

His body and blood  
 Sharing in common  
 His body and blood  
 His body and blood  
 Serving Messiah  
 Son of God

Receive, consume  
 Receive, consume  
 Digest... Defecate

(Solo)

His body and blood  
 Sharing in common  
 His body and blood  
 His body and blood  
 Serving Messiah  
 Son of God
