Ain't this your time of need?
 You're turning to the light
 You had just begun to explore the dark
 In the urban night

[Refrão]

The world is on fire
 And you are here to stay and burn with me
 A funeral pyre
 And we are here to revel forever more
 You're so godamn frail
 Failing for a change
 You just had to know all about the world
 But you will never know, 'cause no one ever told you how

[Refrão]

The world is on fire
 And you are here to stay and burn with me
 A funeral pyre
 And we are here to revel forever
 The world is on fire
 And we are tied as one eternally

A funeral pyre
 And we are here to revel forever more

[Ponte]

All of your imaginations
 Are now running down your face
 All of your imaginations
 Are now running down your face

(Em C G G)
 (Em C G G)
 (Em C G G)
 (Em C G G)

Oh you are looking good
 Payback in disgrace
 And you are doing fine worshipping your lord
 Standing in his grave, 'cause no one ever told you how

[Refrão]

The world is on fire
 And you are here to stay and burn with me
 A funeral pyre
 And we are here to revel forever
 The world is on fire
 And we are tied as one eternally
 A funeral pyre
 And we are here to revel forever mor
