You can call it
Surprise there it is
And a part of it is me
One never does that

In the night I am real

(riff 1)

In the night I am real

The moon to the left
Is a part of my thoughts
And a part of me is me
Wherever is the wind
In the night I am real

I don't want my
Fangs too long

I don't want my
Fangs too long

The moon to the left
Is a part of my thoughts
And a part of me is me
Forever is the wind
I don't want my
Fangs too long

If you have ghosts
You have everything
If you have ghosts
You have everything
If you have ghosts
You have everything
If you have ghosts
You have everything
If you have ghosts
You have everything
