Tom: **B**

Afinação: **D G C F A D**

Guitarra ->1 tom abaixo  
Intro: **A G F C D** 2x

I am the one who preys

on weak

I offer everything they

seek

And i am the one who comes

richly endowed

Harvesting crops of fields

that others have ploughed

I am the one, lascivious

D|-----|

I am the son of one

below

The progeny of beast

of woe

And i am the son who comes

into the daughters of men

Destroying all and make them

want it again

I am the son, lascivious

D|-----|

SOLO

He is the one desacralizer

He is the son of the enticer

The all seeing subterranean kaiser

He is is the way, he is the way

I am the way...

And you invited me to stay

However fair and pure,

you crave the wand

You see through me what lies beyond

beyond

I am the one lascivious

D|-----|

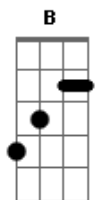

I am the one lascivious

D|-----|

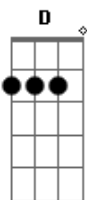

I am the one lascivious

D|-----|
