

# Ghosted - Get Some

Tom: C

When you call, when you call, when you call and I'm horny  
 I've been waiting, I've been waiting, I've been waiting on your body  
 Don't you know I've been dancing alone at the party?  
 All my friends gettin' laid and I ain't found nobody

We can go back to your place  
 I swear I'll be gone in the morning  
 Just touch me like that  
 Oh, baby

I don't, I don't need no candlelight  
 You just need to fuck me right  
 Guess I ain't the loving kind  
 I just wanna get some  
 I don't, I don't wanna wait no more  
 Let's do it on the kitchen floor  
 Give me what I'm beggin' for

I just wanna get some

Don't pretend, don't pretend, don't pretend like we're lovers  
 Like it's more than two strangers underneath the covers  
 When I'm here on my own, there's a part that I'm missing  
 I'll go blind if I don't get to see what you're giving

We can go back to your place  
 I swear I'll be gone in the morning  
 Just touch me like that  
 Oh, baby

I don't, I don't need no candlelight  
 You just need to fuck me right  
 Guess I ain't the loving kind  
 I just wanna get some  
 I don't, I don't wanna wait no more  
 Let's do it on the kitchen floor  
 Give me what I'm beggin' for  
 I just wanna get some
