Gi Basito - Water Girl

```
                              tom:
                    G
Intro:  F  C  F  C
```

[Primeira Parte]

Water Girl come and see me now
Your green eyes
Your dark hair
Highlighted through the crowd

Touch my skin
?Til i can?t speak
Let me speechless
Just for a moment

[Refrão]

```
F                          C
 Put your arms around my waist
F                          C
 Let me guide you for the seaway
F                          C
 Water Girl come through the blue
F.              Am       G
 And i?m in love with you
F        C                  G
 Water Girl let me drown with you
F                          C
 Water Girl let me drown with you
```
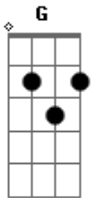

[Segunda Parte]

Touch my skin
?Til i can?t speak
Let me speechless
Just for a moment

Compassion and empathy
When I am with you
Lost in your body
Cover of these nulls

(G)

[Refrão]

```
F                          C
 Put your arms around my waist
F                          C
 Let me guide you for the seaway
F                          C
 Water Girl come through the blue
F.              Am       G
 And i?m in love with you
F        C                  G
 Water Girl let me drown with you
F                          C
 Water Girl let me drown with you

F                          C
 Water Girl let me drown with you

( F  C )

F                          C
 Water Girl come and see me now
