

Gian e Giovani - Casinha Branca

Tom: G

(intro) G C G C D C D

Eu tenho andado tao sozinho ultimamente

Que nem vejo em minha frente

Nada que me de prazer

Sinto cada vez mais longe a felicidade

Vendo em minha mocidade

Tanto sonho perecer

(refrão)

Eu queria ter na vida simplesmente

Um lugar de mato verde

Pra plantar e pra colher

Ter uma casinha branca de varanda

Um quintal e uma janela

Para ver o sol nascer

(solo) G C G C Am D D

As vezes saio a caminhar pela cidade

A procura de amizade

Vou seguindo a multidao

Mas eu me retraio

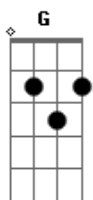

Olhando em cada rosto

Cada um tem seu misterio

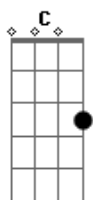

Seu sofrer sua ilusao

(refrão)
