It's easy running through your hair
                       G
Like fields of poppies in salt air
    Cadd9
                   Am7
You said to me that you won't share
    Em7
And I said I would never dare
  Cadd9
                  Am7
I stared at you the way I do
    Em7

   Em7
                           G
You booked the night train for a reason
I think I've seen this love before

And now she's walking through my door

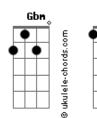

Oh, yeah, I've seen this face before

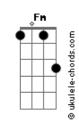

I think I've seen this face before

Oh, she was walking 'round my block

My interest is to lay with you

To laugh and have nothing to do
