

# Gilberto Gil - Abri a Porta

Tom: D

Intro: D Em Gbm Em

Abri a porta,

Apareci,

A mais bonita,

Sorriu pra mim ...

Naquele instante me convenci

O bom da vida vai prosseguir

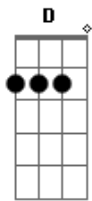

Vai prosseguir, vai dar pra lá do céu azul

Onde eu não sei, lá onde a lei seja o amor

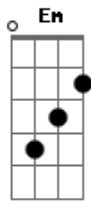

E usufruir do bem, do bom e do melhor seja comum

Pra qualquer um, seja quem for
