

Gilberto Gil - Canto da Ema

Tom: C

(intro) G F C

A ema gemeu no tronco do juremau (2x)

Foi um sinal bem triste, morena

Fiquei a imaginar

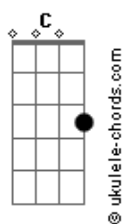

Será que é o nosso amor, morena

Que vai se acabar?

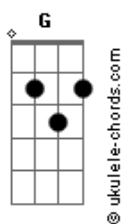

Você bem sabe, que a ema quando canta

Traz no meio do seu canto um bocado de azar
 Eu tenho medo, morena, eu tenho medo
 Pois acho que é muito cedo
 Pra essa amor acabar
 Vem morena, vem, vem, vem
 Me beijar, me beijar
 Dá um beijo, dá um beijo
 Pra esse medo se acabar
