

# Gilberto Gil - Chiclete Com Banana

Tom: C

Intro: C Db G E7 A7 D7 Dm G7 C Db G E7 A7 D7 G D7

Eu só ponho bib-bop no meu samba  
 Quando o Tio Sam tocar o tamborim  
 Quando ele pegar no pandeiro e no zabumba  
 Quando ele aprender que o samba não é rumba  
 Aí eu vou misturar, Miami com Copacabana  
 Chicletes eu misturo com banana  
 Eu o meu samba vai ficar assim

( G C7 G )

E7 A7 D7 G  
 Eu quero ver a grande confusão

( G C7 G )  
 E7 A7 D7 G  
 É o samba-rock meu irmão

Ab Am  
 É, mas em compensação  
 Quero ver o Boogie-woogie de pandeiro e violão  
 Quero ver o Tio Sam de frigideira, numa batucada brasileira
