

Gilberto Gil - Mulher de Coronel

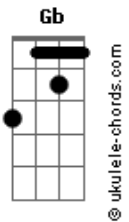

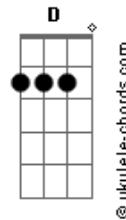

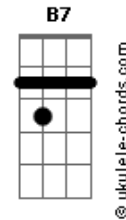

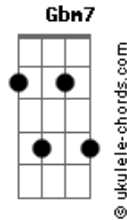

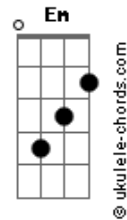

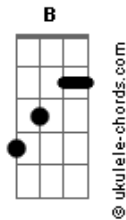

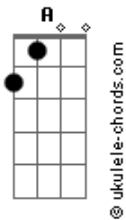

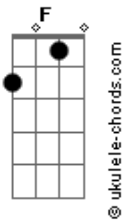

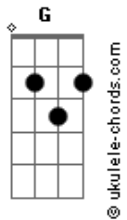

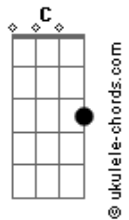

tom: **C**

Ouçã o que eu tenho a dizer
 Tome o que eu tenho pra dar
 Se não servir pra você
 A_tire tu_do no mar

Diga o que você disser
 Sei que não vou me importar
 Faça o que você fizer
 Não deixarei de te amar

Onde você mora

Acordes

Mora o meu co__ração
 Quando você chora

Chora tudo que é o_lho
 Da minha so_lidão
 Se você na_mora
 Ora, meu Deus
 Que feliz deve ser
 O mortal que provar
 Desse mel que escorrer
 Dos teus lá__bios, então!
