

# Gilberto Gil - Mulher de Coronel

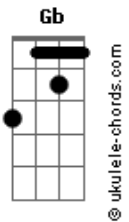

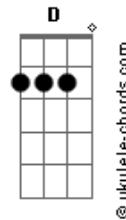

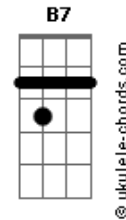

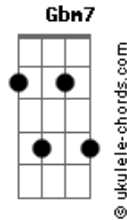

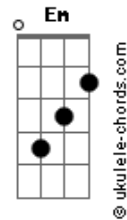

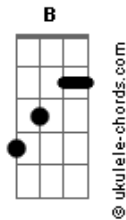

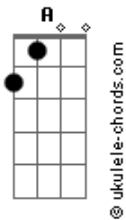

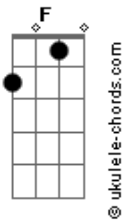

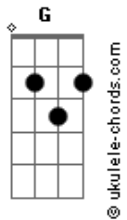

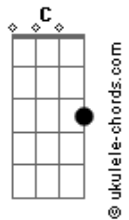

tom: **C**

Ouçã o que eu tenho a dizer  
 Tome o que eu tenho pra dar  
 Se não servir pra você  
 A\_tire tu\_do no mar

Diga o que você disser  
 Sei que não vou me importar  
 Faça o que você fizer  
 Não deixarei de te amar

Onde você mora

## Acordes

Mora o meu co\_\_ração

Quando você chora

Chora tudo que é o\_lho  
 Da minha so\_lidão  
 Se você na\_mora

Ora, meu Deus  
 Que feliz deve ser  
 O mortal que provar  
 Desse mel que escorrer  
 Dos teus lá\_\_bios, então!
