

Gilberto Gil - O Relógio Quebrou

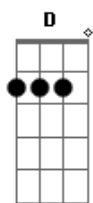

Tom: D

Intro: D G

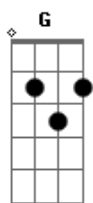

O relógio quebrou
 E o ponteiro parou
 Em cima da meia-noite, em cima do meio-dia
 Tanto faz porque depois de um vem dois, e vem três e vem quatro

E eu fico olhando o rato
 Saindo do buraco do meu quarto
 E você de bonezinho caiu de lado
 Fazendo cena de cinema, cena de teatro
 Com seu charme de Wanderléa (Gal Costa, Greta Garbo)
 Seu jeitinho de Babyvit
 Sacou o meu recado?
