

# Gilberto Gil - O Relógio Quebrou

Tom: D

Intro: D G

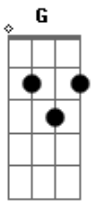

O relógio quebrou  
 E o ponteiro parou  
 Em cima da meia-noite, em cima do meio-dia  
 Tanto faz porque depois de um vem dois, e vem três e vem quatro

E eu fico olhando o rato  
 Saindo do buraco do meu quarto  
 E você de bonezinho caiu de lado  
 Fazendo cena de cinema, cena de teatro  
 Com seu charme de Wanderléa (Gal Costa, Greta Garbo)  
 Seu jeitinho de Babyvit  
 Sacou o meu recado?
