

Gilberto Gil - Se Eu Quiser Falar Com Deus

tom:

Intro: Am Ab F C

Se eu quiser falar com Deus

Tenho que ficar a sós

Tenho que apagar a luz

Tenho que calar a voz

Tenho que encontrar a paz

Tenho que folgar os nós

Dos sapatos, da gravata

Dos desejos, dos receios

Tenho que esquecer a data

Tenho que perder a conta

Tenho que ter mãos vazias

Ter a alma e o corpo nus

Se eu quiser falar com Deus

Tenho que aceitar a dor

Tenho que comer o pão

Que o diabo amassou

Tenho que virar um cão

Tenho que lamber o chão

Dos palácios, dos castelos

Suntuosos dos meu sonhos

Tenho que me ver tristonho

Tenho que me achar medonho

E apesar de um mal tamanho

Alegrear meu coração

Se eu quiser falar com Deus

Tenho que me aventurar

Tenho que subir aos céus

Sem cordas pra segurar

Tenho que dizer adeus

Dar as costas, caminhar

Decidido, pela estrada

Que ao findar, vai dar em nada

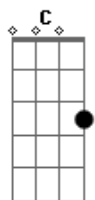

Nada, nada, nada, nada

Nada, nada, nada, nada

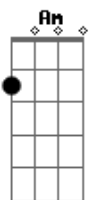

Nada, nada, nada, nada

Do que eu pensava encontrar
