

# Gilberto Gil - Vem Morena

Tom: E

m

Intro: Em

Vem morena pros meus braços

Vem morena vem dançar

Quero ver tu requebrando

Quero ver tu requebrar

Quero ver tu remexer

No resfulengo de sanfona

Até o sol raiar

Quero ver tu remexer

No resfulengo de sanfona

Até o sol raiar

Esse teu fungado quente

Bem no pé do meu pescoço

Arrepia o corpo da gente

Faz o veio ficar moço

E o coração de repente

Bate forte em alvoroço

[Solo] Em7 D C Am7 Em7  
Em7 D C Am7 Em7  
Em7 D C Bm7 Em7

Vem morena... até o sol raiar

Esse teu suor salgado

É gostoso e tem sabor

Pois o teu corpo suado

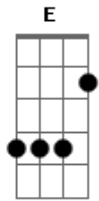

Tem o cheiro de fulô

Tem o gosto temperado

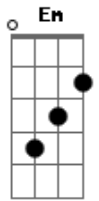

Dos temperos do amor

[Solo] Em7 D C Am7 Em7  
Em7 D C Am7 Em7  
Em7 D C Bm7 Em7
