

Gilliard - Modinha

Tom: F

Intro: Gm A7 Dm Dm B Bb7 A7 Dm

Olho a rosa na janela / Sonho um sonho pequenino

Se eu pudesse ser menino / Eu roubava aquela rosa
E ofertava todo prosa, à primeira namorada

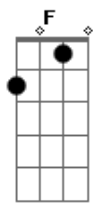

Nesse pouco ou quase nada eu dizia o meu amor, o meu amor

Olho o sol findando lento / Sonho um sonho de adulto

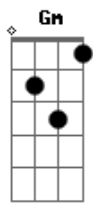

Minha voz na voz do vento / Indo em busca do teu vulto
E o meu verso em pedaços / só querendo o teu perdão
Eu me perco nos teus passos / e me encontro na canção

Ai, amor, eu vou morrer
Buscando teu amor
