

Giovani Santos - Iluminou Meu Viver

Tom: G

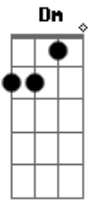

Noites passei
 Tão tristes e frias
 À espera de alguém
 Pra me consolar
 Sozinho no escuro
 Perdido em meus sonhos
 Quando tua luz vieste me dar
 E assim jesus meu senhor
 Com tua luz me iluminou
 E agora tão só
 Não andarei jamais
 Qual ondas do mar

Perdidas nas águas
 Sei que assim seria meu fim
 Mas agora eu sinto
 Que estou voltando
 Pra casa de amor
 Do meu bom senhor
 E assim jesus meu senhor
 Com tua luz me iluminou
 E agora tão só
 Não andarei jamais
 Nada pode dar errado
 Se tenho teu amor
 Jesus iluminou meu viver
