

Giovanna Massoco - Sonhos Estéreis

Tom: **Db**

C Eb Bb F C

São sonhos estéreis
Pra que dor
Se eu ja não te reconheço mais

Que todos celebrem
Com louvor
Mais um amor que hoje morto cai

Ab7 Db7 C

Quem diria que a gente algum dia
Precisaria de utopia pra sobreviver

Quem diria que essa rotina
Impediria-nos de escolher

D C Ab7

Escolher entre o que
Te faz feliz, te faz sofrer

Sem ter nem chances de
Usufruir desse prazer

Que a vida dá aaa

(PRÉ-REFRÃO)
Gb Gb7 Bb F7

Essa vida que é pouca demais
Pra que esperar?
Quando ver vai ser tarde demais

(REFRÃO)

C Db Eb C

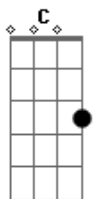

Chega desse papo furado
Chega de andar com medo na rua
Por ser mulher, vestida ou nua

Chega dessa falsa beleza
Chega de engolir tristeza que diariamente nos servem a mesa

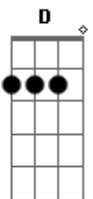

Chega de fingir ser o que não se é
De ter medo de amar
De ter medo de ser mais feliz
A gente nasce com linhas nas costas
Mas mesmo com toda essa farsa imposta
Existe a opção
De se libertar

C Eb Bb F C
