

Giovanni Bannach - Tartaruginhas

tom:

D

Se eu e você fossemos tartaruginhas
 Eu iria te ver só pra mostrar todos os planos
 Que eu pensei em fazer
 Ao seu lado pelos próximos cem anos
 Com você eu dividiria o mesmo casco

E te daria um beijinho e um abraço
 E devagar
 Caminharíamos na direção do mar
 Se isso também for o que você sonha
 Podemos nos casar
 E na lua de mel ir
 Dar um mergulho em Noronha
