

Girls Generation Seohyun - Speak Now

Tom: G

G D
I am not the kind of girl

Am
Who should be rudely barging in

C
On a white veil occasion

G D
But you are not the kind of boy

Am C
Who should be marrying the wrong girl

G D
I sneak in and see your friends

Am
And her snotty little family

C
All dressed in pastel

G D
And she is yelling at a bridesmaid

Am
Somewhere back inside a room

C
Wearing a gown shaped like a pastry

Am C G
Thi--is i---is surely not

D
What you thought it would be

Am C D
I---I lose myself in a daydream

Where I stand and say

G D
Don't say "yes" run away now

Am
I'll meet you when you're out

C G
Of the church at the back door

D
Don't wait or say a single vow

Am
You need to hear me out

C
And they said "speak no-ow"

(G D Am C)

G D
Fond gestures are exchanged

Am
And the organ starts to play a song

C
That sounds like a death march

G D
And I am hiding in the curtains

Am
It seems that I was uninvited

C
By your lovely bride-to-be

Am C
She|---e floats down the aisle

G D
Like a pageant queen

Am C
But I--I kno--ow

D
You wish it was me

D
You wish it was me, don't you?

G D
Don't say "yes" run away now

Am

I'll meet you when you're out

C G
Of the church at the back door

D
Don't wait or say a single vow

Am
You need to hear me out,

C G
They said "speak no-ow"

D
And you say "let's run away now

Am
I'll meet you when I'm out

C G
Of my tux at the back door

So glad you were around
