

Girls' Generation - Catch Me If You Can

Tom: D

Bm
Catch me if you can

D
Catch me if you can

A
I just got my head down

Bm D
And I'm a little bit scared tonight

Bm A
I need to run just far enough

Bm D
So I can smile again, smile again

A
So I can smile again

Bm
Take me by the hand

D
Take me by the hand

A
But don't you get too close now

Bm D
Cause I'm a little bit scared of life

Bm A
I need someone to try and bring

Bm D
Me back to innocence, innocence

A
Me back to innocence

leave it there, leave it there

A
Yeah we can leave it there

To know, so play pretend, play pretend

A
Oh won't you play pretend?
