

# Girls' Generation - Catch Me If You Can

Tom: D

**Bm**  
 Catch me if you can  
**D**  
 Catch me if you can  
**A**  
 I just got my head down  
**Bm** **D**  
 And I'm a little bit scared tonight  
**Bm** **A**  
 I need to run just far enough  
**Bm** **D**  
 So I can smile again, smile again  
**A**  
 So I can smile again

**Bm**  
 Take me by the hand  
**D**  
 Take me by the hand  
**A**  
 But don't you get too close now  
**Bm** **D**  
 Cause I'm a little bit scared of life  
**Bm** **A**  
 I need someone to try and bring  
**Bm** **D**  
 Me back to innocence, innocence  
**A**  
 Me back to innocence

[Refrão]

**D**  
 Catch me if you can  
**A**  
 A stranger walks beside me  
**Bm** **D**  
 And we're just lovers for the night  
**Bm** **A**  
 And when the sun comes up you wake and just  
**Bm** **D**  
 leave it there, leave it there  
**A**  
 Yeah we can leave it there  
**Bm**  
 Take me by the hand

**D**  
 Take me by the hand  
**A**  
 But please don't want to know me  
**Bm** **D**  
 Cause I'm a little bit scared of life  
**Bm** **A**  
 And from the bull is all you need  
**Bm** **D**  
 To know, so play pretend, play pretend  
**A**  
 Oh won't you play pretend?
