

# Gisele Nascimento - A Tua Presença

tom: C

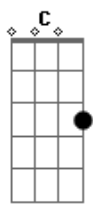

Eu quero mais que a nuvem  
 Sobre o tabernáculo  
 Eu quero mais que ouvir  
 Falar dos Teus feitos  
 Eu quero mais que entrar  
 No Santo dos Santos  
 Eu quero tocar a Tua Presença  
 Eu não sou nada, sou servo e nada mais  
 Sou como a erva do campo

Que logo murcha e cai  
 Sou feito de barro  
 Mas deixa-me tocar a Tua Presença  
 O homem só está de pé  
 Prostrado aos teus pés  
 Total dependência  
 O justo vive pela fé  
 Não quero ouvir só falar de Ti  
 Hoje eu vim tirar virtude  
 Da Tua presença
