

# Giulia Be - Plan B

tom:

I hate it when you lie  
 And you think I can't see  
 The way you squint your eyes  
 Pretend you're shy  
 And look away from me

I hate it when the silence  
 Overcomes your smile  
 It's like you were just here  
 And then you disappear  
 For a while

But most of all I hate  
 The way you make me feel  
 Second-guessing, yeah, is any of it real?  
 Yeah, most of all I hate  
 I don't hate you at all  
 It's not your fault I'm always there  
 When you call

Cause you make me crazy  
 Crazy  
 Crazy  
 For you  
 And it's so amazing  
 Amazing  
 Amazing  
 What you make me do

I'm overthinking everything  
 And you don't give me any thought  
 You make me crazy  
 Trying to make you into something  
 That you're not  
 That you're not

( Am F C )

I hate it that I keep  
 Making excuses for you  
 Yeah, the fantasies make it so easy

But they're not true

I just wish you'd tried  
 To choose me, love me  
 Yeah, the worst is when I put you first  
 When I'm your plan b

But most of all I hate  
 The way you make me feel  
 Second-guessing, yeah, is any of it real?  
 Yeah, most of all I hate  
 I don't hate you at all  
 It's not your fault I'm always there  
 When you call

Cause you make me crazy  
 Crazy  
 Crazy  
 For you  
 And it's so amazing  
 Amazing  
 Amazing  
 What you make me do

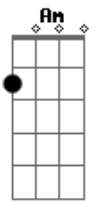

I'm overthinking everything  
 And you don't give me any thought  
 You make me crazy  
 Trying to make you into something  
 That you're not

Cause you make me crazy  
 Crazy  
 Crazy  
 For you  
 And it's so amazing  
 Amazing  
 Amazing  
 What you make me do

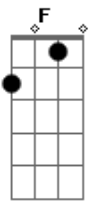

I'm overthinking everything  
 And you don't give me any thought  
 You make me crazy  
 Trying to make you into something

That you're not
