

Giulia Be - Too Bad

tom:

Intro: **D Bm Gbm E**

Might be lying next to her, lying to yourself
 Deep down you know you wanna be with somebody else
 But you missed your chance, baby, never gave a shot
 Don't really hope you're happy 'cause you made me hurt a lot

I bet she can't kiss like me, tho
 Bet she can't love like me, no
 What I got she can never be, no
 Ain't that too bad?

Bet she can't kiss like me, though
 Bet she can't love like me, no
 What I got she can never be, no
 Ain't that too bad?
