

Glass Animals - Heat Waves

tom:
 Am
 (Last night, all I think about is you)
 Em D
 (Don't stop, baby, you can walk through)
 Am G
 (Don't want, but I think about you)
 Em D
 (You know that I'm never gonna lose)

Am G
 Road shimmer wigglin' the vision
 Em D
 Heat, heat waves, I'm swimmin' in a mirror
 Am G
 Road shimmer wigglin' the vision
 Em G
 Heat, heat waves, I'm swimmin' in a?

Am G
 Sometimes, all I think about is you
 Em D
 Late nights in the middle of June
 Am G
 Heat waves been fakin' me out
 Em D
 Can't make you happier now

Am G
 Sometimes, all I think about is you
 Em D
 Late nights in the middle of June
 Am G
 Heat waves been fakin' me out
 Em D
 Can't make you happier now

Am G
 Usually I put somethin' on TV
 Em D
 So we never think about you and me
 Am G
 But today I see our reflections clearly
 Em D
 In Hollywood, layin' on the screen

Am G
 You just need a better life than this
 Em D
 You need somethin' I can never give
 Am G
 Fake water all across the road
 Em D
 It's gone now, the night has come, but

Am G
 Sometimes, all I think about is you
 Em D
 Late nights in the middle of June
 Am G
 Heat waves been fakin' me out
 Em D
 Can't make you happier now

Am G
 You can't fight it, you can't breathe
 Em D
 You say somethin' so lovin', but
 Am G
 Now I gotta let you go

Acordes

Em D
 You'll be better off in someone new

Am G
 I don't wanna be alone
 Em D
 You know it hurts me too
 Am G
 You look so broken when you cry
 Am D
 One more and then I'll say goodbye

Am G
 Sometimes, all I think about is you
 Em D
 Late nights in the middle of June
 Am G
 Heat waves been fakin' me out
 Em D
 Can't make you happier now

Am G
 Sometimes, all I think about is you
 Em D
 Late nights in the middle of June
 Am G
 Heat waves been fakin' me out
 Em D
 Can't make you happier now

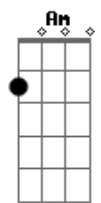

Am G
 I just wonder what you're dreamin' of
 Em D
 When you sleep and smile so comfortable
 Am G
 I just wish that I could give you that
 Em D
 That look that's perfectly unsad

Am G
 Sometimes, all I think about is you
 Em D
 Late nights in the middle of June
 Am G
 Heat waves been fakin' me out
 Em D
 Heat waves been fakin' me out

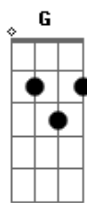

Am G
 Sometimes, all I think about is you
 Em D
 Late nights in the middle of June
 Am G
 Heat waves been fakin' me out
 Em D
 Can't make you happier now

Am G
 Sometimes, all I think about is you
 Em D
 Late nights in the middle of June
 Am G
 Heat waves been fakin' me out
 Em D
 Can't make you happier now

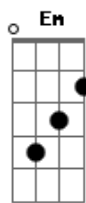

Am
 Road shimmer wigglin' the vision
 Heat, heat waves, I'm swimmin' in a mirror
 Road shimmer wigglin' the vision
 Heat, heat waves, I'm swimmin' in a mirror
