

Glass Animals - Heat Waves

tom:

Am

Am

G

(Last night, all I think about is you)

(Don't stop, baby, you can walk through)

(Don't want, but I think about you)

(You know that I'm never gonna lose)

Road shimmer wigglin' the vision

Heat, heat waves, I'm swimmin' in a mirror

Road shimmer wigglin' the vision

Heat, heat waves, I'm swimmin' in a?

Sometimes, all I think about is you

Late nights in the middle of June

Heat waves been fakin' me out

Can't make you happier now

Sometimes, all I think about is you

Late nights in the middle of June

Heat waves been fakin' me out

Can't make you happier now

Usually I put somethin' on TV

So we never think about you and me

But today I see our reflections clearly

In Hollywood, layin' on the screen

You just need a better life than this

You need somethin' I can never give

Fake water all across the road

It's gone now, the night has come, but

Sometimes, all I think about is you

Late nights in the middle of June

Heat waves been fakin' me out

Can't make you happier now

You can't fight it, you can't breathe

You say somethin' so lovin', but

Now I gotta let you go

You'll be better off in someone new

I don't wanna be alone

You know it hurts me too

You look so broken when you cry

One more and then I'll say goodbye

Sometimes, all I think about is you

Late nights in the middle of June

Heat waves been fakin' me out

Can't make you happier now

Sometimes, all I think about is you

Late nights in the middle of June

Heat waves been fakin' me out

Can't make you happier now

I just wonder what you're dreamin' of

When you sleep and smile so comfortable

I just wish that I could give you that

That look that's perfectly unsad

Sometimes, all I think about is you

Late nights in the middle of June

Heat waves been fakin' me out

Heat waves been fakin' me out

Sometimes, all I think about is you

Late nights in the middle of June

Heat waves been fakin' me out

Can't make you happier now

Sometimes, all I think about is you

Late nights in the middle of June

Heat waves been fakin' me out

Can't make you happier now

Road shimmer wigglin' the vision
Heat, heat waves, I'm swimmin' in a mirror
Road shimmer wigglin' the vision
Heat, heat waves, I'm swimmin' in a mirror
