

Glass Animals - Pork Soda

tom:
 E
 Gbm E
 Somewhere in Southend when you were fun
 A B
 You took my hand and you made me run
 Gbm E
 Up past the prison to the seafront
 A B
 You climbed the cliff edge and took the plunge

[Pre-Chorus]
 Gbm E
 Why can't we laugh now like we did then?
 A B
 How come I see you and ache instead?
 Gbm E
 How come you only look pleased in bed?
 A B
 Let's climb the cliff edge and jump again

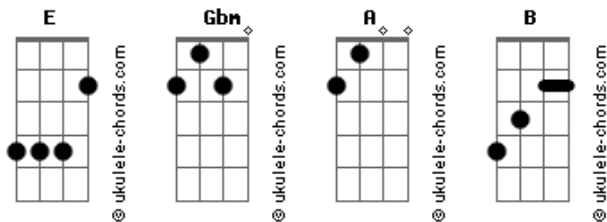

[Chorus]
 Gbm E
 Pineapples are in my head
 A B
 Got nobody 'cause I'm brain-dead

[Verse 2]
 Gbm
 Somebody said I'm a fuckin' slum
 E
 Don't know where I belong
 A
 Maybe you're fucking dumb
 B
 Maybe Im just a bum
 Gbm
 Maybe you're fucking scum
 E
 Don't you go psycho, chum
 A
 I want you for the world
 B
 I want you all the time (stop)

Five thousand footsteps in your white dress
 A B
 Back to the house with your arms around my neck
 Gbm E
 We drank pork soda with tangled legs
 A B
 I won't forget how you looked at me then
 Gbm
 I know I'm no sweet prince of love
 E
 Those times that we got drunk
 A
 Maybe Jamaica rum
 B
 Maybe some Jonnie Dub
 Gbm
 Maybe you still think of us
 E
 Phone buzz, and still I jump
 A
 Why don't I say it then?
 B
 I want you all the time

[Pre-Chorus]
 Gbm E
 Why can't we laugh now like we did then?
 A B
 How come I see you and ache instead?
 Gbm E
 How come you only look pleased in bed?
 A B
 Let's climb the cliff edge and jump again

[Chorus]
 Gbm E
 Pineapples are in my head
 A B
 Got nobody 'cause I'm brain-dead
 Gbm E
 Pineapples are in my head
 A B
 Got nobody 'cause I'm brain-dead

[Outro]
 Bass notes only
 Gbm E
 Pineapples are in my head
 A B
 Got nobody 'cause I'm brain-dead
 Gbm E
 Pineapples are in my head
 A B
 Got nobody 'cause I'm brain-dead
