

# glass beach - Bone Skull

tom:

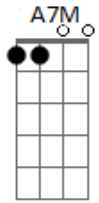

<sup>E</sup>  
Ugh, I'm so miserable!

<sup>A7M</sup>  
Blocks of empty storefronts renting to nobody  
<sup>Gbm6</sup>  
Dead cacti hang limply in old valley apartment hallways  
<sup>A7M</sup>  
I'm always making a list of all the people I'd help  
<sup>Bb7M</sup>  
If I wasn't helpless myself

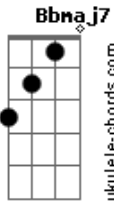

<sup>A7M</sup> <sup>Gbm6</sup>  
Standing motionless in doorways and parking lots

Pigeons coo on the balconies

<sup>E</sup>  
Dilapidated couches, mattresses  
<sup>A7M</sup> <sup>Bb7M</sup>  
I'd care about the future again if I knew I could last long  
enough

( <sup>A7M</sup> <sup>Gbm6</sup> <sup>E</sup> <sup>A7M</sup> <sup>Bb7M</sup> )  
( <sup>A7M</sup> <sup>Gbm6</sup> <sup>E</sup> <sup>A7M</sup> <sup>Bb7M</sup> )

Oh oh ohhhh

Oh oh ohhhh

Oh oh ohhhh

Oh oh ohhhh
