

# Glasvegas - A Snowflake Fell (And It Felt Like A Kiss)

Tom: **G**

Intro: **G G C D**

Verse:

The breeze, from the graveyard keeps murmuring death  
Too much time harbours thoughts in heads  
Now I'm compelled to care About my future going nowhere

Chorus:

As I stand here all alone in the cold  
Wondering where I'm going today  
Then a snowflake fell and it felt like a kiss  
Now I'm okay

Verse:

The ringing from the bells keeps screaming out love  
As snow fell from heavens above  
Directionless no more, Emptiness no more

Chorus:

Now I don't feel so all alone in the cold

Wondering where I'm going today

For a snowflake fell and it felt like a kiss

Now I'm okay

Bridge:

Chorus (3x):

Now I don't feel so all alone in the cold

Wondering where I'm going today

For a snowflake fell and it felt like a kiss

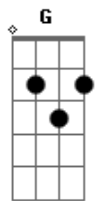

Now I'm okay

(For a snowflake fell and it felt like a kiss

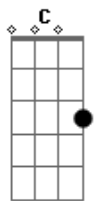

Now I'm okay)

Outro: **G G C D**
