

Glasvegas - Daddy's Gone

Tom: A

How you are my hero, How your never here though
 Remember times when you put me on your shoulders,
 How I wish it was for ever you would hold us.
 Right now I am too young to know, How the future it would affect
 me when you go
 You could of had it all, You me and mum you know know anything
 is possible.

I wont be the lonley one, Sitting one my own and sad
 A fifty year old, reminiscing wit a had

I wont be the lonley one, Sitting one my own and sad
 Forget your da hes gone, Forget your da hes gone oon

Refrão:
 He's gone he's gone, He's gone he's gone
 Woooo oooooo oooooooo ooooooo

Aw I wanted wiz a kick about in the park,
 For you to race me home when it wiz nearly getting dark,
 How I could of been yours and you be mine,
 It could of been me and you until the end of time,
 Do what you want when you want
 Be as fucking insincere as you can

What kind of way is that to treat you wife
 You see you son on Saturdays wit way is that to live your life

I wont be the lonley one, Sitting one my own and sad
 A fifty year old, reminiscing wit a had

I wont be the lonley one, Sitting one my own and sad
 Forget your da hes gone, Forget your da hes gone oon
