Tom: C

^{Am} My ^G girl ^F went ^E to the doctor cause her heart had palpitations

^{Am} He ^G said ^F cut the carbs, or else she'd end up pushing up carnations

^{Am} She ^G stepped ^F up on the scale and the doctor said, "Oh Lordy"

^{Am} If ^G you ^F don't drop a few, girl, you won't make it past age forty

^E My girl said, "Hey lookie, on my fancy x-ray chart"

^E Said the doctor, "Holy hell that's one G.D. big ass heart"

^{Am} I'm ^G telling ^F you ^E my friend, my girl's got a big ass heart ^{Am}

^{Am} When ^G she shops for groceries that heart gets its own damn cart

^{Am} ^G ^F ^E

^F That big ass heart can pump two tons of love through her chest

^F And then sit down and win a lovin' pie-eating contest ^G ^{Am}

^{Am} I love that big ass heart so much I think it isn't fair ^G ^F ^E ^{Am}

^{Am} Like how your heart won't pay me back for breaking all my chairs ^G ^F ^E

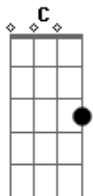

^{Am} So sick with love I think I'm coming down with rickets ^G ^E ^{Am}

^F ^G ^F ^E When that big ass heart flies coach it has to pay for two plane tickets

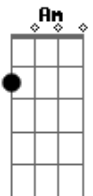

^E ^{Am} ^G Oh, that big ass heart

^F ^E ^{Am} Oh, that big ass heart
